2021 SEASON

Possibilities of 2021 season are still limited because of pandemic. Big events are not planned now. In some countries it is however possible to play. Due to contemporary conditions WTHA president temporarily changed (simplified) conditions of organising tournaments and reduced the fee. If it is possible in your country, you are still invited to organise the tournaments.

You may register your tournament via google form

NOTICE TO BILLIARD-HOCKEY

RUSSIA OPEN 2021

Organiser of the billiard-hockey Russia Open 2021 did not respect rules of the game (time of the game) and the conditions of Master tournament (tournament system). Despite it and because of current situation (among others: WTHA could not provide Master tournament delegate) the results are accepted. Anyhow, WTHA kindly ask all organisers to respect rules of the game (3 periods per 6 minutes) at all WTHA billiard-hockey competitions, and respect tournament systems rules on higher level (Master tournaments, championships). Otherwise, the tournaments could not be part of WTHA ranking.

WTHA can only work if the members respect the rules (set by the democratic session, with possibility being changed there only).

WTHA thanks for organising of Russia Open and also thanks all tournaments organisers for their activity.
