

THE RULEBOOK OF WORLD TABLE HOCKEY ASSOCIATION

17th version (summarised by 31st December 2021)

Preamble:

At European Championship 2000 in Marienberg, Germany - after years of international inactivity of the World Table Hockey Association - after the regular voting the representatives of member countries approved the temporary implementation group (the board). This temporary implementation group consisted of the president of WTHA and representatives of four most active members (Czech Republic, Denmark, Germany and Sweden).

This temporary implementation group had to prepare The Rulebook of World Table Hockey Association and to vote members of regular implementation group - both according to documents undersigned in 1992 in Lund, Sweden (WTHA Establishing Document and WTHA Basic Activity Program) and decisions undertaken in 2000 in Marienberg, Germany.

The 1st version of The Rulebook of World Table Hockey Association was approved by the temporary implementation group (the board) in Maarslet, Denmark in 2001 (July 6).

1. Technical-organisational rules

- 1.1. **Table Hockey** - World Table Hockey Association directs international table hockey competitions. The most important part of WTHA work is to direct and organise international competitions of category billiard-hockey, including continental championships and world championships. But World Table Hockey Association is open for all table hockey categories.
- 1.2. **Language** - All written international materials have to be translated to English.
- 1.3. **Members** - new members of the World Table Hockey Association are accepted any time after preliminary signing the facsimile of the Rulebook of the World Table Hockey Association and the entrance document.
- 1.4. **Changes of the Rulebook** of World Table Hockey Association - changes can be made only during official sessions of directorial committee.
- 1.5. **Competitions days and time of beginning (billiard-hockey competitions)** - Competitions of individuals must be played on Saturday, except tournaments of category "Challenger". All competitions for teams must be played on Sunday. Justified exception should be made by Implementation group. All competitions start at 10:00 a.m., exception should be decided by Implementation group. Competition day and time of beginning of tournament category "Challenger" are decided by organiser.
- 1.6. **Measuring of match time** in WTHA billiard-hockey competitions – the match time is measured by "MUSIC" (cassette or CD).
 - 1.6.1. The official WTHA measuring "MUSIC" named "Dvornik" (also known as Czech music) is used always for World or continental championships, European Masters' Cup, WTHA Cup. Cassette / CD with the measuring music "Dvornik" should be bought in the seat of Czech Table Hockey Players Union (UHSH) in Brno.
 - 1.6.2. For other tournaments should organiser choose official WTHA measuring "MUSIC" or own "national MUSIC". The "national MUSIC" must be put into disposition at the beginning of season. Organiser must announce that would use "national MUSIC" in tournament information before.
- 1.7. **Measuring of match time** in WTHA rod-hockey Chemoplast competitions – the match time is measured by "MUSIC" (cassette or CD), recommended: overtime of "Dvornik" (overtime of "Czech billiard-hockey measuring")
- 1.8. **Tournament committee** - All controversy situation coming during the tournament are decided by the tournament committee. If it is not possible to decide the situation in accordance with The rulebook of WTHA, tournament committee would undertake ad hoc decision. Decision of tournament committee has final validity for the case and no other WTHA authority should change it. Tournament committee makes a written report about all discussed cases. Proposal is given to the chairman of tournament committee.
 - 1.8.1. Composition of tournament committee:
 - Chairman = chairman of tournament or a person delegated by chairman of tournament
 - 4 members = drawn at the beginning of tournament from the present members of "tournament committee list"
 - 1.8.2. Criteria for drawing to the tournament committee:
 - Less than 4 participating countries minimally one member per country
 - 4 participating countries one member per country

- More than 4 participating countries maximally one member per country
- 1.8.3. Composition of tournament committee list: Each member country should enlist max. 10 persons to the tournament committee list. If the member country want to enlist 11th and next, it must stroke out the same number of members.
- 1.8.4. If it is not possible to make up five members tournament committee in accordance with these criterions, the chairman of tournament committee will complete the tournament committee to the nearest odd number (means 3 or 5) respecting number of participating countries.
- 1.8.5. If all members of the tournament committee from the Saturday tournament of individuals are present at the Sunday tournament of teams (in the same weekend), the tournament committee is the same for this tournament of teams. In the other case, absent members of tournament committee are changed in accordance with the criterions.
- 1.9. **Presence of responsible organiser** - Responsible organiser has to be present at the venue 30 minutes (at the latest) before the beginning and during all time of the tournament. It is valid for all WTHA competitions.

2. Competition rules - BILLIARD-HOCKEY

2.1. WTHA Tour

2.1.1. System of WTHA Tour

- 2.1.1.1. WTHA Tour consists of minimally 4 (four) tournaments category “Master” or “Challenger” per season.
- 2.1.1.2. Only 4 (four) best results (points) of each player are counted to the final standing of WTHA Tour.
- 2.1.1.3. The WTHA Tour starts by the first tournament organised after the end of previous season (category “Master” or “Challenger”) and ends by the last scheduled tournament of category “Master”. All tournaments category „Challenger” must be organised before it. This is not true if the last tournament of category “Master” is scheduled sooner then on

October 31. In that case the term for organising tournaments category "Challenger" is prolonged upto October 31 and this date is considered to be the end of WTHA Tour.

2.1.2. Participants

2.1.2.1. All tournaments of WTHA Tour are OPEN. So anyone can participate. There are no country limits.

2.1.2.2. All participants play the tournament together. There are not divided according to categories.

2.1.3. Points system

2.1.3.1. Absolute standing of WTHA Tour – MASTERS POINTS: best 6 players at the tournaments category „Master“ are given points as follows (9-6-4-3-2-1). The sum of these points (*best four results are counted*) gives the final absolute standing of WTHA Tour (not divided into categories).

2.1.3.2. Categories standing of WTHA Tour – ALL POSITION POINTS: all players clasified in the results of all tournaments counted to WTHA Tour are given points according to their positions and category of tournament (see Enclosure no. 2). The sum of these points (*best four results are counted*) gives final standing of categories.

2.1.3.3. Decisive criterions for equal points cases for both point systems:

- Less number of tournaments from which are the points counted
- More points from one tournament (*farther from the tournament with the most won points, from the tournament with the second most won points, from the tournament with the third most won points*)
- More participants on a tournament (*farther with the most won points, with the second most won points, ..., with the fourth most won points*)

2.1.4. Tournaments - category "Master"

2.1.4.1. There are maximally 6 (six) tournaments category "Master" played in each season.

2.1.4.2. No country should organise more then 1 (one) tournament category "Master" per season.

2.1.4.3. Schedule of tournaments category "Master" is made by Directorial Committee on its regular session the year before.

2.1.4.4. Directorial committee approves organisers, terms and venues of tournaments category "Master" in accordance with point 2.1.6.1. (better conditions win) and other points of The Rulebook, as well as in accordance with the needs of billiard-hockey development.

2.1.4.5. Proposals of candidates have to be sent to implementation group of WTHA, minimally two weeks before the regular session of Directorial Committee.

2.1.4.6. All proposals of tournaments, which are not chosen and scheduled as category "Master", are put into the WTHA Tour schedule as category "Challenger".

2.1.4.7. Changes in schedule of category "Master" tournaments (= changes in terms or venues) should be made by implementation group only in case of necessity.

2.1.4.8. Minimally 16 players have to participate at any of the "Master" category tournament. If there are only 8-15 players present at the tournament before its beginning, tournament is counted to WTHA Tour and all other statistics of WTHA as tournament category "Challenger". If there is not minimally 8 players present at the tournament before its beginning, tournament would not be counted to the WTHA Tour and other statistics of WTHA.

2.1.5. Tournaments – category "Challenger"

2.1.5.1. There is no limit for number of tournaments category "Challenger" played in each season.

2.1.5.2. No country should organise more then 5 (five) tournaments category "Challenger" per season. Exception of this rule is made by Implementation group in the case of necessity for development of billiard-hockey.

2.1.5.3. Basic schedule of tournaments category "Challenger" is made by Directorial Committee on its regular session the year before and completed and changed by Implementation group before or during the season in accordance with The Rulebook of WTHA.

2.1.5.4. Proposals of candidates have to be sent to implementation group of the World Table Hockey Association, minimally six weeks before the date of tournament.

2.1.5.5. The tournament category „Challenger“ has to be announced minimally 4 (four) weeks before its term.

2.1.5.6. Minimally 8 players have to participate at any of the "Challenger" category tournament. If there is not minimally 8 players present at the tournament before its beginning, tournament would not be counted to the WTHA Tour and other statistics of WTHA.

2.1.6. Requirements for organisers of tournament of WTHA Tour

- 2.1.6.1. Results from all disciplines/standards are counted and summed together. The points are counted in three categories - men, juniors U18 and ladies. The more points, the better. (WTHA Tour decisive criterions are used for equal points situations).

Teams

Results from all disciplines/standards are counted and summed together. The places in team competitions are counted together. It means the best team is given 1 point, second 2 points, etc. If the team does participate at any of disciplines, it is given as much points as last participating team + 1. The less points, the better. (WTHA Tour decisive criterions are used for equal points situations).

Attention:

If there are more disciplines of the same type (e.g. different rod hockey games), only the best results from these is counted the the final sum.
